

Best Wishes to *Elaine Price* as she and her husband, Tom, are moving closer to family and friends in Oxford, PA!

Elaine is originally from Baltimore, MD, and lived all up and down the Eastern part of the States due to Tom's job. In 1996, they permanently moved to the Northern Neck where they had always dreamed of retiring.

Elaine joined the CBGC shortly after moving here. Neighbors, Barbara Yinger and Virginia Cummins, invited her to a club meeting and, as she says, 'she was hooked'! She had always loved gardening and this seemed the perfect time to learn more about landscaping and gardening. She did learn a lot (completed Landscape Design School!), became involved in the Horticulture program, served on various committees, served as 1<sup>st</sup> and 2<sup>nd</sup> Vice Presidents and helped with several of the Flower Shows put on by CBGC.

She says her favorite job in Garden Club was co-chairing the Horticulture committee with Wonda Allain for four years. She loved horticulture and everything about it. Aside from that, the best thing about being a club member has been the friendships she's made over the years. Elaine will deeply miss everyone at CBGC, but she'll carry the wonderful memories forever.

One highlight of their move to Oxford, Pa, is that it's just 30 minutes from Longwood Gardens! She's inviting club members to come for a visit and enjoy the beautiful gardens at the same time!  
**New address: 109 Kensington Lane, Oxford, PA 19363**
