Old Business:

New Business:

On November 13, Pam VanScoy called a meeting of interested members at Los Portales in Callao to discuss ways in which our club might earn some money to fund one or more scholarships. Six attended. The group concluded that we might want to host a small fundraiser in conjunction with the April Heathsville Farmers Market which would include a floral design workshop, garden and floral items yard sale, and bake sale. We also floated the idea of doing floral arrangements on order for Mother's Day. Please save your design and garden items for this event. Ideas?? If approved, need volunteers to set up, take down, and work this event. Dody Douglas has items to donate.

Piedmont District meeting will be Monday, March 18 at Virginia Crossings Hotel, 1000 Virginia Center Parkway, Glen Allen, VA 23059 from 8:30 to 3:00 pm. Lunch choices are chicken or veggie lasagne. Cost is \$45. Registration deadline is Feb 20 to get your money to Jacque. Design program will be by Heathsville's own Margurite Slaughter.
